Dear Parents

Please find enclosed the list of stationery required for Gr. 2 in 2021. For your convenience and with special guidance from each phase teacher, we have asked *Forms Media* to package customized stationery boxes with the complete set of relevant items for the year. The school will not be responsible for collecting orders, money or receipting payments made on behalf of *Forms Media*, however, should you wish to take advantage of this convenient offer, please place these orders directly at *Forms Media*. Payment can be made either by EFT or cash at *Forms Media*. Banking details are as follows:

Account name: Forms Media
Bank: Nedbank (Tzaneen)
Branch Code: 128405
Account number: 1284111334
Reference: **UNI075** (SURNAME) (Gr. 2)

Parents will be notified once the ordered packages are ready for collection from the school at the end of November 2020. Please note that it is not compulsory for parents to buy their child's stationery from *Forms Media*. It is entirely the choice of the parents as to which supplier they would prefer to use. It is not necessary to purchase new stationery every year if your child has taken good care of his/her belongings such as scissors and whiteboards, however all items on the list need to be supplied at the start of the academic year.

The following items are not included in the Grade 2 package but are required:

- 2 x 2 litre (ICE CREAM) CONTAINERS (to store stationery)
- 2 X DIFFERENT COLOURED BALLS OF WOOL
- 1 x FRENCH KNITTING KIT
- 1 x pump action bottle of liquid hand soap
- Please keep all stationery in its original packaging. Do not unpack items such as colouring pencils into a stationery/pencil bag or ice-cream container.

Please make sure that ALL items of clothing, equipment and stationery are clearly marked with your child's name and surname at the start of school in 2021.

Yours sincerely

Paula Drake
